

KOR

DOOR PULL

The Kor Door Pull collection is available in three lengths and four premium finishes.

FINISH OPTIONS

Brass and Oil Rubbed Bronze versions are available through special order.
* Uncoated. Will develop a deeper color and patina with use over time.

SPECIFICATIONS

- Solid metal construction in either stainless steel or brass.
- Precision machined with a fine bead blasted texture.
- Single and double-sided versions for glass and wood doors.
- Standard 1/4-20 UNC fixing. All fasteners included.
