LOKI

FACE MOUNT

Combine design simplicity and compact form with great value and long-lasting performance. Featuring the Tru-Level track system, obsessively designed for fast and precise installation. Made in the USA from high-grade billet aluminum.

FEATURES

- Fast and easy installs with the Tru-Level™ system, providing a full 1/4" vertical and lateral adjustment at all mounting points.
- Easily set and readjust door travel on site, even after install.
- High precision bearings provide silent and smooth door travel.
- Low profile design, provides highly versatile use.
- Accommodates glass, wood, metal-clad, and composite doors.
- ADA compatible door pull force at full panel weight.
- Designed in Portland, OR. Proudly Made In The USA.
- 10 year commercial warranty.

SPECIFICATIONS

- Single track lengths available up to 12' (142").
- Easily modify track length on site with common tools.
- Track drills easily on site.
- Multiple tracks can easily be joined together.
- Accommodates glass and framed walls.
